

Annual General Meeting

To be held at noon on Tuesday 29 June 2021 as an online meeting via Zoom

As a result of the continuing impact of Covid-19, this year's Annual General Meeting (AGM) which was due to be held as a live event on 29 June 2021, has had to be cancelled. Under normal circumstances, all members are entitled to attend and vote at the Society's AGM, however, following the Government's guidelines on social distancing and in the interests of health and safety, it is not possible to hold a live AGM in 2021 and like last year, the Society will again be holding a virtual AGM via webinar.

If you would like to join the Society's virtual AGM in these unusual circumstances brought about by the restrictions and guidelines imposed by the Government to combat the Covid-19 pandemic:

Please register by emailing the Society at agm@tfs.uk.com by 5.00pm on Friday 25 June giving your Member Number, Full Name and post code.

Joining the AGM

On the day of the meeting, approximately 30 minutes before the scheduled start time, all legitimate participants will be sent a link to go into a waiting room where they would be checked and if eligible, they would then join the meeting. If you do not receive this link, please email agm@tfs.uk.com for assistance. To avoid unauthorised people joining the meeting please do not share the meeting log-in details with anyone else.

Note: Copies of the Financial Statements for the year ended 31 December 2020, Minutes of the Annual General Meeting 2020 and proxy / voting forms are available on our Website www.tfs.uk.com/governance or upon application to the Society.
